

# I Ain't Got Nothin'

The Temptations

You know, every house has a door and every room has a floor.  
Every fence has a gate and every beast has a mate.  
Everybody, everybody's got something but me.  
I ain't got nothing.

Every stove has a fire and every car has a tire.  
Every fish has a bowl and every shoe has a sole.  
Everybody, everybody's got something but me.  
I ain't got nothing.

Now I don't care about politics and things across the sea.  
All I want all I want to do is love  
And have somebody love me. I need I need somebody.

Every lion has a den and every little pig has its pen.  
Every road has a way and (they tell me) every dog has its day.  
Everybody, everybody's got something but me.  
I ain't got nothing I ain't got nothing. Oh no.  
...
