

I Like It

The Temptations

People talk about my do's and don'ts
They don't think I know what I want
They say I'm losing my mind
From loving you all of the time
(What do you say?)

You know I like it (I like it)
You know I like it (I like it)
You know I like it (I like it)
Oh, I love it (I like it)

Betty Jo and Eugene
Fell in love when they were only sixteen
They're happy as they can be
And all the time they keep telling me
(What do they say?)

That I like it (I like it)
You know I like it (I like it)
You know I like it (I like it)
Oh, I love it (I like it)
Just like rock and the roll, it's in my soul
And I love it (I like it), you know I like it

Having you by my side knowing you'll understand
No matter what the people say, come on and take my hand

Oh, oh, oh, oh (I like it)
I like it (I like it)
You know I like it (I like it)
You know I love it (I like it)
Just like rock and the roll, it's in my soul
And I like it (I like it), you know I like it

You know I like it (I like it)
You know I like it (I like it)
You know I like it (I like it)
Oh, I love it (I like it)
Just like rock and the roll, it's in my soul, honey
And I like it (I like it), you know I like it

Having you by my side knowing you'll understand
No matter what the people say, come on and take my hand

Oh, oh, oh, oh (I like it)
I like it (I like it)
You know I like it (I like it)
You know I love it (I like it)
Just like rock and the roll, it's in my soul
And I love it (I like it), you know I like it

Mmm, mmm, mmm, I like it (I like it)
Said I like it, said I like it (I like it)
I like it, I like it, I like it (I like it)
I love it (I like it)
