I'm Doing It All

The Temptations

Said I would never be the one to give up us
If you and I should ever break up
Said I'd never be weak enough to break down
And speak of a chance that we might make up

But I'm doing it all now baby, doing it all
Yes, I'm doing it all now baby, doing it all
To make sure, oh, that you never, never, never, never, never le
ave me
Please don't ever, ever, ever, ever, ever leave me
Don't leave me, don't leave me

Said that extra things that takes to make a woman sure
That a man's love is really true
Well, the thing's that I was too strong of a guy
To ever break down and do

But I'm doing it all now, baby, doing it all
Yes, I'm doing it all now, baby, doing it all
To make sure, oh, that you never, never, never, never, never le
ave me
Please don't ever, ever, ever, ever, ever leave me

(Don't leave me)
Baby
(Don't leave me)
(Incomprehensible)
Yes I am on, ooh babe, yes I am on
