

I Wonder Who She's Seeing Now

The Temptations

I was playing for keeps
But she was playing a game
Now she's gone and left
And I don't know if I'll ever be the same

(Oh I) I wonder who she's seeing now (Oh baby)
I wonder who she's holding now (Who she's holding now)
I wonder who she's seeing now
I wonder who she's foolin'

She doesn't know now
She's tearing me apart
Breaking my heart, well
Doesn't know what I'm goin' through
I don't know what I'm gonna do
It's getting harder every single day

Without her
I wonder who she's seeing now
Oh, I wish that I knew
I wonder who she's holding now
Oh baby
I wonder who she's seeing now
I wonder who she's foolin'

If I could find a way to turn back the time
When she was still mine
To the love I'll remember with
I'll hold her in my arms again
And never let her slip away

I wonder
I wonder who she's seeing now
Every day
I wonder who she's holding now
So close tonight, girl
I guess it's [?] anyhow
I wonder who she's foolin'

I wonder (I wonder)
Who she's seeing now
(Who she's seeing now)
I wonder (I wonder)
Who the girl's seeing right now
(Who she's seeing now)

(Even though she'd be gone today)
Now I got to find my own way, yeah
(Even though I need her more each day)

I wonder, I wonder who she's seeing now
I wonder who's holding her right now
I don't know, I wonder who's she seeing now
Whoa, I wonder who she's foolin', baby

I wonder, I wonder who she's seeing now
Let me love you like I do

I wonder who she's holding now
Oh does he take good care of you? Oh baby
I wonder who she's seeing now
Who she's seeing now, oh
I wonder who she's fooling
Does he got everything you need?
I wonder who she's seeing now
Does he give you all the love you want?
I wonder who she's holding now
Does he know how to love you, baby, love you, baby
Love you, baby, like I used to do
I wonder who she's seeing now
Baby
I wonder who she's fooling
Been a long time
I wonder who she's seeing now
Since I've seen you girl, ah baby
I wonder who she's holding now
Do you think you remember me at all? Baby
I wonder who she's seeing now
And oh, oh baby
I wonder who she's fooling
Does he love you like I do?
I wonder who she's seeing now
Oh, is he giving you all the love you need?
