

# Is There Anybody Else

The Temptations

Ah keeps slipping away  
Ah ooh

Keep slipping, your love keeps slipping  
Keep slipping your love keeps slipping away  
Keep slipping, your love keeps slipping  
Keeps slipping away

Yeah mhm  
Is there anybody else?  
If it is, don't you keep it to yourself  
Tell me now, while I still got my pride left  
I'll walk away and ill leave you to yourself  
Is there any- (is there any-?)  
-body else? (-body else?)  
Don't you keep it to yourself!

I feel a hurt coming on  
When were together, I feel like I'm alone  
Won't you tell me if I'm right or if I'm wrong  
Don't let me live like I just don't belong  
No, no  
Is there any- (Is there any-?)  
Anybody else? (-body else?)  
Don't you keep it to yourself

When we're sleeping here together  
Baby you'll always call my name  
Now you're saying something different  
And things just ain't the same!

Ba ba da ba da ba ba da  
Ba ba da ba da ba ba da ba da ba ba da  
Ba ba da ba da ba ba da ba da ba ba da  
Ba ba da bow!  
Ooh wow ooh wow oh!

When I look into your eyes  
It's plain to see the doorway to your heart is closed for me  
'Cause I know eyes don't lie  
So why can't we just end this mystery?  
Oh, baby  
Is there any- (is there any-?)  
Anybody else? (-body else?)  
Don't you keep it to yourself

Ba ba da ba da ba ba da  
Ba ba da ba da ba ba da ba da ba ba da  
Ba ba da ba da ba ba da ba da ba ba da  
Ba ba da bow  
Ooh wow ooh wow oh

Ah keep slipping away  
Ah keep slipping away
