

## Mr. Fix It

## The Temptations

Fellas

I want you to take heed to the words of this song  
(Oooh) alright  
'Cause if you don't (oh, no)  
Your woman will be long gone

You've been getting in the habit of  
Taking her for granted, love  
Silly really, amateur  
Said a couple of things to her

Breaking up and making love  
Dealing with the baggage of  
And have the nerve to be selfish when you're making love

Leaving the room for Mr. Fix it  
To get all in your business (for her)  
Have I really mention  
Like he's fixing on your kitchen (fixing on)  
But he's fixing on your missus

'Cause you never paid attention  
And find out what was missing, listen  
Boy, you better lighten up

Get down on your knees (oh)  
Roll up your sleeves  
Don't want to let this man hanging around the house when you leave

There's work to be done  
You need to be the one  
Oh, Mr. Fix it  
You be fixing on your woman

Get down on your knees  
Roll up your sleeves  
Don't want to let this man hanging around the house when you leave

There's work to be done  
You need to be the one  
Oh, Mr. Fix it (oh)  
You be fixing on your woman

She don't feel like she's in love no more  
Busy with the household chores  
Check out at the grocery store  
I'm sweating, no running out anymore

She ain't your slave  
Or your live-in maid  
Just take your breakfast  
Get your briefcase  
And get out the door

Leaving the room for Mr. Fix it  
To get all in your business  
Have I really mention

Like he's fixing on your kitchen (fixing on)  
But he's fixing on your missus (yeah, yeah)

'Cause you never paid attention  
And find out what was missing, listen  
Boy, you better lighten up

Get down on your knees (yeah)  
Roll up your sleeves (oh, yeah)  
Don't want to let this man hanging around the house when you leave  
(You don't want him hanging around)

There's work to be done  
You need to be the one (you know)  
Oh, Mr. Fix it (you know)  
You be fixing on your woman (you know)

Get down on your knees (on your knees)  
Roll up your sleeves  
Don't want to let this man hanging around the house when you leave  
(You don't want him hanging around)

There's work to be done  
You need to be the one  
Oh, Mr. Fix it  
You be fixing on your woman (on your woman)

Fellas (oh)  
I want you to take ease (fixing on your woman)  
If you don't (oh)  
Your woman could be long gone  
(Better do the work yourself)

Get down on your knees (oh)  
(Get down on your knees)  
Roll up your sleeves (oh, no, no, no)  
(Roll up your sleeves) yeah, yeah  
On your woman, on your woman

Remember the days when you were rolling through the night  
Get out on sunrise  
And give us sweet surprises

You are the one that said she'll never be alone  
She makes your house a home (yeah)  
But you don't like a nice egg

Take a stand, be a man  
Wear your hat  
To go and end up to leave her own

You better TCB  
Your day will be  
'Cause wait until she's gone (gone)

Get down on your knees (on your knees)  
Roll up your sleeves (oh, oh)  
Don't want to let this man hanging around the house when you leave

There's work to be done (to be done)  
You need to be the one (oh, yeah)  
Oh, Mr. Fix it  
You be fixing on your woman (on your woman)

Get down on your knees  
Roll up your sleeves (I know, I know, I know)  
Don't want to let this man hanging (I know right now)  
Around the house when you leave

There's work to be done  
You need to be the one  
Oh, Mr. Fix it (to be the one)  
You be fixing on your woman (you fixing in your other way)

Get down on your knees  
Roll up your sleeves (yeah)  
Don't want to let this man hanging around the house when you leave

There's work to be done  
You need to be the one (no, no)  
Oh, Mr. Fix it  
You be fixing on your woman (nobody making around my good body)

Get down on your knees  
Roll up your sleeves  
Don't want to let this man hanging around the house when you leave (oh, yeah  
)  
(You don't want to be the one)

There's work to be done  
You need to be the one (no, you don't want it)  
Oh, Mr. Fix it (hey, you don't want it)  
You be fixing on your woman (oh, oh)

Get down on your knees (on your knees)  
Roll up your sleeves (roll up your sleeves)  
Don't want to let this man hanging around the house when you leave

There's work to be done  
You need to be the one  
Oh, Mr. Fix it  
You be fixing on your woman

Get down on your knees  
Roll up your sleeves  
Don't want to let this man hanging around the house when you leave  
There's work to be done
