

Someone

The Temptations

I'm all alone when the music starts
The lights go down, it's so cold
I'm afraid to turn around
'Cause there's nobody waiting
But, ooh there's got to be a place for me

'Cause it's a big world out there
Somebody must care

Someone to love to come to my rescue
Someone will come for me
Can't stop believing I'll get through
Somebody's gonna come
Just wait and see

I can't go on, but I can't stay here
There's nowhere to run anymore
Sometimes a loved one disappears
Sometimes a love will find you
But mine will be here any day now

If I just hold on
Hold on
I'm waiting so long

Someone to love to come to my rescue
Someone will come for me
Can't stop believing I'll get through
Somebody's gonna come
Just wait and see

It's a foolish heart
Pretending to be strong
Now it's getting harder and harder

Just to hold on
Hold on
I'm waiting so long

Someone to love to come to my rescue
Someone will come for me
I can't stop believing I'll get through
Somebody's gonna come
Just wait and see

Someone to love to come to my rescue
Someone will come for me
Can't stop believing I'll get through
I'm gonna sit right now, take my time, and rest for a while

Someone to love to come to my rescue
Someone will come for me
Can't stop believing I'll get through
Made up my mind, somebody, somebody gonna come

Someone to love to come to my rescue
Someone will come for me

Can't stop believing I'll get through
Somebody gonna come, I just gotta believe in...
