

# Take a Stroll Thru Your Mind

The Temptations

One drag, that's all it took  
One drag, that's all it took

Take a stroll through your mind  
You'll be surprised at what you might find  
Take a stroll through your mind  
You'll be surprised at what you might find, yeah

People I got sunshine on a cloudy day, ya  
I got sunshine, sunshine on a cloudy day, have mercy  
People I'm grooving, groovin' me and myself, dig?  
I'm just groovin', groovin' me and myself, oh Lord, have mercy

Take a stroll through your mind  
You'll be surprised at what you might find, hmm  
Take a stroll through your mind  
You'll be surprised at what you might find, yeah, just me

Callin' on the group to give me a little whoop, whoop  
Callin' on the group to give me a little whoop, whoop  
Whoop, whoop, yeah, whoop, whoop, whoop, yeah, whoop  
Whoop, whoop, yeah, whoop, hmm, hmm  
Whoop, whoop, yeah, whoop

Take out your crayon and coloring book  
And color me out

My mind sleeping but I'm wide awake  
My mind sleeping but I'm wide awake  
One drag, that's all it took

Welcome to the circle, ya, we'll decide, you dig?  
'Cause you people look at us like we're freaks  
Ding, dong, dang, ain't no thang baby

There is no young, there is no old  
Reach and touch your soul

Tell me, have you ever been off the ground  
For a long, nice and slow? Here we go

Seems like every Monday morning I've got the blues  
And every Tuesday, I get some bad news  
Wednesday worse 'cause I ain't got a dime to my name  
I done worked so hard all week

Thursday, my body just racked with pain  
Here come the good part  
Friday the eagle flies and so do I  
I wonder if you hear me when I say  
The eagle flies on Friday and so do I, yeah, just listen

Take a stroll through your mind  
You'll be surprised at what you might find  
Take a stroll through your mind  
You'll be surprised at what you might find, yeah
