

Take Me In Your Arms

The Temptations

You brought a brighter day
Since you came into my life
I'm so glad that you're mine
You want me lady

Take me in your arms away (take me away baby)
On the wings of love, we'll stay
I really want your loving every day (everyday baby)
So take me in your arms away

You came without a warning baby
I really wasn't ready at all
Caught up in my loneliness
I'm so glad you came along

So take me darling
(Take me in my arms away)
Away
(On the wings of love we'll stay)
(I really want your loving every day)
(So take me in your arms away)

I want you to know how I'm feeling baby
I never felt this way before
You brought me so much happiness
You make me want you more and more

So take me darling (so take me in your arms away)
(On the wings of love we'll stay)
(I really want your loving every day)
(So take me in your arms away)

You brought a brighter day
Since you came into my life
I'm so glad that you're mine

(I want you)
You know I want you baby
(You want me)
And you want me too
(We can be)
We can be together (together)
(Endlessly)

Girl, you wanna take me in your arms tonight (tonight)
(On the wings of love we'll stay)
We'll stay together
(I really want your loving everyday)
Oh, oh, forever and ever baby
(So take me in your arms away)
Take me, take me away

(Take me in your arms away)
Girl, I'm so happy you came along, yeah
(On the wings of love we'll stay)
When I was weak you make me strong
(I really want your loving every day)

Every day I want your loving
(So take me in your arms away)
Take me, take me, take me away
