

Wait A Minute

The Temptations

Wait a minute, can I talk, to you
How do you do
Wait a minute, I wanna talk, to you
Only you

It's not everyday that a man, meets a woman
Not as lovely as you, this must be my lucky day
Oh how, (I wanna hold) I wanna hold you, baby
Because you're the dream, that I want to come true

So wait a minute (wait a minute, please wait a minute)
Can I talk (wait a minute, please wait a minute)
To you, how do you do
Wait a minute (wait a minute, please wait a minute)
Please can I talk (wait a minute, please wait a minute)
To you, my words are true, oh my my my baby

Every step you take, I take two
Trying my best to get to you ooh
Girl you move just like, pull a tree in motion
Sign reads, I know it's caution (go slow)

I love you, for the woman you are
Your creation, is the best by far

Wait a minute (wait a minute, please wait a minute)
Can I talk (wait a minute, please wait a minute)
To you, my words are true baby
Wait a minute (wait a minute, please wait a minute)
I wanna talk (I wanna talk to you) alright babe

(No won't you walk away, no I wanna)
(Listen to a word I say)
I believe it will so different, so different, baby, baby
(I believe this is true, believe that I wanna be with you)
Cause I love you so girl, and I don't even know who are
Wait a minute baby, oh wait a minute girl

Oh wait a minute (wait a minute)
Can I talk (can I talk)
To you (to you) only you
Oh wait a minute (wait a minute)
Can I talk (can I talk)
To you (to you) oh my my baby
I put your name in my book because I love the way you look baby
(Wait a minute)
(Can I talk)
I wanna talk to you baby
(To you)
Tell me what are you doing for the rest of your life girl
Oh I wanna know baby
(Wait a minute) oh wait a minute baby
(Can I talk) I wanna talk to you baby

Ooh
Oh
I wanna talk to you baby

Maybe we sit down for a cup of tea baby
Oh just you and me baby
We can talk about it, talk about it, talk about it
