

We'll Be Satisfied

The Temptations

Oh, when I can give you all the stars in the sky
And all of the things your little heart desires
When I can place the world at your feet
And satisfy your every need
When I can cry and not be sad
But cry because you make me glad
When I can smile and make you know
Without saying the words I love you so

You'll be forever mine and I'll be satisfied
Baby, baby, I'll be satisfied

When I can give to you a song
That your heart sing the whole day long
And when I can set your soul on fire
I'll be your one and only desire
And when I can prove to you that I care
That I'm worthy of your life to share
Chances are I love you more
Guess I won't mind as long as I know

You'll be right by my side, and darling, I'll be satisfied
(Baby, baby) You know that I will
I'll be satisfied
You'll be right by my side, and darling, I'll be so satisfied
Baby, baby) So satisfied
I'll be satisfied

Baby, when I've done my very best
To fill your life with happiness
Our two hearts, you know, will beat as one
We'll only part when life is done
And then I'll take you in my arms (I'll be satisfied)
And kiss your sweet lips from dusk to dawn (I'll be satisfied)
Darling, heaven will know I won't ever let you go (I'll be satisfied)
You'll be mine now and forevermore (I'll be satisfied)
Everything will be fine, and I'll be so satisfied

Baby
I'm gonna take you in my arms
Say you love me so, girl
I'll be satisfied, baby, ooh-hoo
I'm gonna take you in my arms
Every day of my life
Oh, I'll treat you right, baby
