

What It Is?

The Temptations

Uh huh huh huh
(What it is) What it is, man?
What it is, man?
What is it?
What is it? (What's happening, brother?)
You ain't doin' nothin'
You knew what's happenin'
What is it? I don't know
Yeah, rap on, brother
Ooh
Woo woo woo

What it is (What it is), somebody tell me
What it is (What it is), sure is funky
What it is (What it is), somebody tell me now
What it is (What it is), sure is funky)

Did I hear somebody say "Down with the system"?
Shut your mouth
I'll take your toy away
Children shouldn't play with bombs (Boom boom boom)
And lay

Oh, yeah, what it is (What it is), somebody tell me
What it is (What it is), sure is funky now
What it is (What it is), somebody tell me now
What it is (What it is), sure is fun

Tell me what
Oh, what it is?
Sure is funky
Sure is funky, eh? Ooh
Sure is funky, funky
I don't know what it is?
What is it?
Oh ooh ooh
Sure is funky, now
Get on down, homie, yeah
Do it sister, do it sister
Feels good, dawg
