

## Whenever You're Ready

The Temptations

If your eyes are the window  
Through the soul  
Then your eyes tell me  
So much more (so much more)  
And I want you to know  
I understand what you've been going through  
Girl, I wanna let you know, know, know  
I'll always be right here for you, baby  
Just take my hand  
When you're ready  
To release  
'Cause your happiness  
It means so much to me  
(Whenever you're ready)  
Whenever you're ready  
(Whenever you're ready)  
I'll be there (whenever you're ready)  
For you baby  
I'm gonna be there for you  
Whenever you're ready  
(Whenever you're ready)  
Girl, whenever you're ready, baby  
(Whenever you're ready)  
Oh, I'm gonna be there for you  
(Whenever you're ready)  
Hooo (I will be here, I'll be here for you)

Now girl, if you give me the chance  
I'll move all your pieces  
Change your sadness to gladness  
Wipe away all your tears (wipe away your tears)  
Girl, I know  
I know that love can be so blind  
But my heart is yours, baby  
Whenever you want to be mine, baby  
Now I know a good thing  
When it comes to me  
I look at you baby  
Because into your life  
Is where I wanna be

Just take my hand  
When you're ready to release  
All the pain, baby  
Because your happiness  
It means so much to me  
Oh my baby, baby  
(Whenever you're ready)  
Oh, whenever you're ready, baby  
(Whenever you're ready)  
Oh (whenever you're ready)  
Oh baby, I'm gonna be there  
(I will be there) for you baby  
(I'll be there for you)  
Whenever you're ready, baby  
(Whenever you're ready)  
Oh, whenever you're ready, baby

(Whenever you're ready)  
I'm gonna be there  
(Whenever you're ready)  
I'm gonna be there for you baby  
Oh right now, now baby  
(Whenever you're ready)  
(Whenever you're ready)  
I'll be there when the next teardrop falls  
(Whenever you're ready)  
(Whenever you're ready)  
Yes I will (whenever you're ready)  
Oh, yes I will  
You know I will baby (I will be there)  
(I'll be there for you) I wanna be there  
I'm gonna be there for you baby  
(Whenever you're ready)  
(Whenever you're ready)  
I'll be there for you baby (whenever you're ready)  
(I will be here, I'll be here for you)  
Oh baby (whenever you're ready)  
Ooh my, my baby (whenever you're ready)  
Ooh my, my baby (whenever you're ready)
