

Witchcraft (For Your Love)

The Temptations

I heard her when she slammed the door
I didn't bat an eye
I tried to be so strong, yes, I did
I didn't even cry
But, oh, my heart, it was crying, crying, telling me
"Don't you dare let her go"

Now, I'm (I'm gonna use witchcraft), yes, I am
(I'm gonna use witchcraft) You can bet your life, girl
(I'm gonna use witchcraft) To win your love (Witchcraft)

I walk the day and half the night
To try and find someone
Someone to remedy all the wrong I had done
And then I saw a sign that read:
"Do you want some voodoo done?"
(Do you want some voodoo done?)
Yes, I do now

Because I'm (I'm gonna use witchcraft), yes, I am
(I'm gonna use witchcraft) Yes, I am
(I'm gonna use witchcraft) Just to win back your love
Oh, I'm gonna use (Witchcraft)

Now (I'm gonna use witchcraft), yes, I am
(I'm gonna use witchcraft) You can bet your life, girl
(I'm gonna use witchcraft) To win back your love
Oh, oh (Witchcraft)

I did everything I could and I tried to treat you right
(Doo, doo, doo, I'm gonna use witchcraft)
Still you went away and left me crying at midnight
(Doo, doo, doo, I'm gonna use witchcraft)
Black cats and roots I'm gonna burn to solve
(Doo, doo, doo, I'm gonna use witchcraft)
From my room and I know, be back
Come on back, come home, come home soon
(Doo, doo, doo, I'm gonna use witchcraft)
(Doo, doo, doo, I'm gonna use witchcraft)
