

Pain And Misery

The Teskey Brothers

I've been in love, honey, you know it's true
Well, since that day I first laid my eyes on you
Love is a crazy game, baby, it's how I feel
It can make you, oh, so high, but it takes so long to heal

So please, yeah, yeah, won't you stay with me?
'Cause since you gone, it's all pain and misery
Honey, please, yeah, yeah, won't you stay with me?
'Cause since you gone, it's pain and misery

Sometimes I curse that day when you came along
I was happy, but it's been pain now, for so very long
Oh, I'm beggin' ya, honey, please, won't you stay?
'Cause I've been so lonely since you've gone away

Every day is pain, in the end, it's hard to see
Every painful day is, oh, so sad
Now that I've lost the best friend that I've ever had

Oh, please, won't you stay with me?
'Cause since you gone, it's all pain and misery
Honey, please, oh, please, won't you stay with me?
'Cause since you gone, it's pain and misery

Hey, I'm beggin' you, honey
Whoa, I want you to love me
Yeah, I want you to love me
I need you so bad
