

Sun Come Ease Me In

The Teskey Brothers

Sun, come ease me in
Ease me into the morning time where the daylight begins
Sun, come ease me in
Ease me into the morning time where the daylight begins
Oh
Sun, come ease me in
Mama, roll me 'round to where the daylight sings

She doesn't feel alright
Till she turns the day to night
And she's always on my mind, ah-ah, ah-ah
(Mmm, mmm, mmm)

Sun, come ease me in
Ease me into the morning time where the daylight begins
Sun, come ease me in, eh-ah
Ease me into the morning time where the daylight begins
C'mon, turn me 'round, yeah, yeah, yeah
Sun, come ease me in
Till the daytime begins, yeah
Mama, roll me 'round to where the daylight sings
Oh, roll me 'round, roll me 'round, yeah-ah

Sun, come ease me in
Come ease me in
Ease me into the morning time where the daylight begins
I miss the morning light, baby, no, don't miss me, yeah
Sun, come ease me in
C'mon, turn me 'round, yeah, yeah
Mama, roll me 'round to where the daylight sings
Roll me 'round, oh, roll me 'round

Sun, come ease me in
Ease me into the morning time where the daylight begins
Oh, baby, yeah, yeh-yeh-yeh
Sun, come ease me in
I'm coming back
Ease me into the morning time where the daylight begins
Coming into you
I come in, yeah
Sun, come ease me in
Come ease me in, come ease me in
Mama roll me round
