

# Bluer Than Midnight

The The

Save me  
Save me  
Save me  
Save me  
Save me  
Save me

The candles are lit, the curtains are drawn  
There's still no sign of rain nor dawn  
Our lips touch, our limbs entwine  
But the ghosts that haunt me won't leave my mind

Save me  
Save me  
Save me  
Save me  
Save me  
From myself

One sin leads to another one  
Oh, the harder I try  
I can never, never, never find peace in this life  
I ask myself  
Where does lust come from?  
Is it something to yield to or be overcome?  
I ask myself  
Why love can never touch my heart like fear does  
Why can't love ever touch my heart like fear does?
