

# Looking For Love

The Three Degrees

Ooh, Lookin' for love  
Searchin', searchin', searchin' for love  
Ooh, Someone to love  
Someone, somewhere, Someone to love

Ooh, Lookin' for love  
Hmm, someone to love  
Ooh, Someone to love  
I gotta find somebody to love

When I'm with you, I don't waste time on you  
Always think of myself  
No need to cry just cause love passed me by,  
I can wait on the shelf

When I'm down, gonna search all around  
Gonna find a new man  
Someone to take me, make me feel  
Just like a woman again

Ooh, Lookin' for love  
I've gotta find me someone to love  
Ooh, Someone to love  
I need someone to love

Ooh, Lookin' for love  
I'm gonna find him, yes I will, yeah  
Ooh, Someone to love  
Someone... someone... someone to love

Can't stay at home hoping some by the phone  
I've got no time to lose  
I'm gonna find Mr. Right, I'll look hard every night,  
yeah  
I'll find him real soon

Back into love, baby, back into life  
Then I forget about you  
Back into love, baby, back into life  
And I'll forget about you

Ooh, Lookin' for love... ooh, Lookin' for love  
Ooh, Lookin' for love... ooh, Lookin' for love  
Ooh, Lookin' for love... ooh, Lookin' for love

Ooh, Lookin' for love  
I gotta find me someone to love  
Ooh, Lookin' for love  
Lookin'... Lookin'... Lookin'

Ooh, Lookin' for love  
I gotta find me someone to love  
Ooh, Lookin' for love  
I said I, I said I need somebody to love

Ooh, Lookin' for love  
I gotta find somebody to love

Ooh, Lookin' for love  
Ooh... ooh... aah

Ooh, Lookin' for love  
I'm lookin' for love yeah, I'm lookin' for love yeah,  
yeah  
Ooh, Lookin' for love  
Gotta find, and I'm lookin'a
