

Car Crash

The Thrills

Do I look like a car crash
Baby tell me it aint true
Cos if i look like a car crash
I don't know what the hell i'd do
Everybody tells me i'm out of my mind
Just because I say
Baby, oh baby
Don't change
Do I look like a car crash
Tell me baby it aint true
Cos if i look like a car crash
I don't know what the hell i'd do
Everybody tells me i'm out of my mind
Just because I say
Baby, oh baby
Don't change
Cos if you laugh too hard
The joke is on you
You girl,
You
Everybody tells me i'm out of my mind
Just because I say
Baby, oh baby
Don't change
