

Beat Me

The Tiger Lillies

Beat me till I'm black, beat me till I'm blue,
I will, I will love you.
Beat me till I cry, beat me till I die,
I will love you.
And burn my house to the ground,
I will not make a sound.
Beat me till I bleed, beat me, yes indeed,
I will love you.
Beat me till I cry, beat me till I die,
I will love you.
And burn my house to the ground,
I will not make a sound.
So beat me till I'm black, and beat me till I'm blue,
I will, I will love you.
Beat me till I'm black and beat me till I'm blue,
I will love you, yes, I will love you.
