

## Why are you Laughing?

The Tiger Lillies

Why are you laughing? We're all going to die tomorrow in agony  
we will all lie  
Why are you laughing why so amused? Tomorrow senility will you  
confuse  
Why are you laughing why so self assured? Tomorrow death and di-  
sease you'll endure  
Why are you laughing to that happy music? Only fools and idiots  
are optimistic  
This isn't a film with a happy end only death and disease wait  
for us at the end  
So why are you laughing?
