

Here's To A Drink With You

The Tossers

Early in the mornin'
'Til the rising of the moon

Summer is here again
On the south side of ChicagoLand
Of cards and dice and pubs I sing
Oh of cards and dice and pubs I sing
Oh of all of my favorite things

Early in the mornin'
'Til the rising of the moon

There is no rest for a troubled mind
in these tough economic times
the rich stay rich and we stay poor
Oh the rich stay rich and we stay poor
and we will forever more

Early in the mornin'
'Til the rising of the moon
