

## The Break Of Dawn

The Tossers

Oh I drank with Father Dunne last night  
to the break of dawn  
Playin' every song we could recite  
to the break of dawn

With a fine young girl upon my knee  
and a glass of whiskey next to me  
With a here we go and a one two three  
to the break of dawn

Drinkin'  
WHISKEY, OH WHISKEY, OH WHISKEY ALL NIGHT LONG  
OH WHISKEY, OH WHISKEY, OH WHISKEY UNTIL THE BREAK OF DAWN

Battering the old wood flood  
to the break of dawn  
Let the pipers blow and the rafters roar  
to the break of dawn

Now go and roisin up that bow once more  
Black the windows lock the door  
Pour me one and pour one more  
to the break of dawn

Drinkin'  
WHISKEY, OH WHISKEY, OH WHISKEY ALL NIGHT LONG  
OH WHISKEY, OH WHISKEY, OH WHISKEY UNTIL THE BREAK OF DAWN  
Let's go!

We drank every glass to Chief O'Neil  
to the break of dawn  
Oh until my mind began to reel  
to the break of dawn

Oh and down the shore I made my way  
To lie beneath the dawning day  
and watch the small birds fly away  
to the break of dawn

Drinkin'  
WHISKEY, OH WHISKEY, OH WHISKEY ALL NIGHT LONG  
OH WHISKEY, OH WHISKEY, UNTIL THE BREAK OF DAWN
