

## Stop and Think

The Trammmps

Stop and think a while before you leave and say goodbye  
You know you'd better stop  
Stop it baby  
Stop and think a while before you leave and say goodbye

You know you'd better  
If you leave I know my life will never be the same  
One more chance that's all I ask  
My heart is full of shame

Let me explain  
Ooh, I fooled around and took the chance on a one night fling  
You caught me wrong  
I promise you girl I'll try my best to do the right thing

Stop and think a while before you leave and say goodbye  
You know you'd better stop  
Stop it baby  
Stop and think a while before you leave and say goodbye

Wait a minute now  
There's one thing I'd like to say if you have the time  
I'll confess the wrong I've done  
If you say you're mine

Let me explain  
Ooh, I fooled around and took the chance on a one night fling  
Honey  
You caught me wrong  
I promise you girl, I'll try my best to do the right thing

Stop and think a while before you leave and say goodbye  
You know you'd better  
Stop and think a while before you leave and say goodbye  
You know you'd better  
Stop...
