

# You Are Everything

The Trammps

You're my everything  
The sun that shines above you  
Makes the blue birds sing  
The stars that twinkle way up in the sky  
Tell me I'm in love

When I kiss your lips  
I feel the rolling thunder to my finger tips  
And all the while my head is in a spin  
Deep within I'm in love

You're my everything  
And nothing really matters but the love you bring  
You're my everything  
To see you in the morning with those big bright eyes  
You're my everything  
Forever and a day I need you close to me  
You're my everything  
You never have to worry, never fear, for I am here

You're my everything  
I live up on the land and see the sky above  
I swim within her ocean, sweet and warm  
There's no storm my love

You're my everything  
And nothing really matters but the love you bring  
You're my everything  
To see you in the morning with those big bright eyes  
You're my everything  
Forever, and a day I need you close to me  
You're my everything  
You never have to worry, never fear, for I am here

When I hold you tight  
There's nothing that can harm you  
In the lonely night  
I'll come to you and keep you safe and warm  
It's so strong my love

When I kiss your lips  
I feel the rolling thunder to my finger tips  
And all the while my head is in a spin  
Deep within - 'm in love
