

Walkin' My Baby

The Trashmen

walkin' my baby
walkin' my baby
walkin' my baby

walkin' her back home

'cos at the party the boys are so prettified
they never seem to be satisfied.

With a girl of their own.
They'd better leave my girl alone
Taking no chances,
I'm walkin' her home

I know that she would never go
I know that she would tell them no
I'm taking no chances
I'm walking her home

walkin' my baby
walkin' my baby
walkin' my baby

walkin' her back home

'cos at the party the boys are so prettified
they never seem to be satisfied.

With a girl of their own.
They'd better leave my girl alone
Taking no chances,
I'm walkin' her home

I'm just a-walkin' her home
Yeah well I walkin' my baby
Walkin' her home
