

Even The Bad Times Are Good

The Tremeloes

Laaaa la

There are times in this life of mine,
That I think that the sun, forgot how to shine,
But as long as you're always there,
It don't bother me, cuz why should I care,
When all I've gotta do, is run to you.

Even the bad times are good,
As soon as I get to you, baby
You've just got to hold me
and even the bad times are good.

Even the bad times are good,
As soon as i get to you, baby
You've just got to kiss me
and even the bad times are good.

When the day seems to drag along,
And all that I do, is working out wrong,
Til I find that I never cry,
As long I know, that you're standing by,
Then all I've gotta do, is run to you.

Even the bad times are good,
As soon as I get to you, baby
You've just got to hold me
and even the bad times are good.

Even the bad times are good,
As soon as i get to you, baby
You've just got to kiss me
and even the bad times are good.
