

## 65 Roses

The Trews

We were singing  
And folks were dancing  
The good times always flow, before and after show  
There was no way of knowing

Poetry and prose  
65 Roses  
That's the way it goes  
We were all too close  
It was right under our noses

Well I got the news today; you're already on your way  
You can borrow time, but you still run out of days  
You can double down, time and time again  
But the odds are in the favour of the house, and the time has come my friend

I cannot swim the ocean wide  
And nor do I have wings to fly  
Just light my way, when it's my time  
Cause there's a new star in the sky

Something we can treasure  
For now if not forever  
You said you made your peace, you're ready for release  
If it don't get any better

But I just can't abide it  
I can't believe it as I write it  
As hearts begin to sink, let's raise another drink  
'Cause there ain't no use to fight it

I cannot swim the ocean wide  
And nor do I have wings to fly  
Just light my way, when it's my time  
Cause there's a new star in the sky  
There's a new star in the sky

Well I got the news today, you're already on your way  
You can borrow time, but you still run out of days  
You can double down, time and time again  
But the odds are in the favour of the house, and the time has come my friend

I cannot swim the ocean wide  
And nor do I have wings to fly  
Just light my way, when it's my time  
Cause there's a new star in the sky

I cannot swim the ocean wide  
And nor do I have wings to fly  
Just light my way, when it's my time  
Cause there's a new star in the sky  
There's a new star in the sky  
There's a new star in the sky  
There's a new star in the sky

As steady as she goes  
65 Roses
