

In the Morning

The Trews

We have to keep believing
It's gonna be ok
Cause if we don't we're lost
Maybe we're lost anyway
I want to lift you up
I want to make it great
I want to be the boat that carries you across the lake

You push everyone away
But you don't want to be alone
You still don't know what you want
But you have to let that go
And trust that the sun will rise
In the morning

I want to get too close
I want to be right there
It might all mean nothing
But I think that we're getting somewhere

You push everyone away
But you don't want to be alone
You still don't know what you want
But you have to let that go
And trust that the sun will rise
In the morning

We have to keep believing
It's gonna be ok
Cause if we don't we're lost
Maybe we're lost anyway

At the end of the day
You don't want to be alone
You still don't know what you want
But you have to let that go
And trust that the sun will rise
In the morning
In the morning
