

## No. 10 Downing Street

The Troggs

N°10 Downing Street, N°10 Downing Street  
That's where all the rules are made concerning you and me  
N°10 Downing Street, N°10 Downing Street  
That's where all the rules are made concerning you and me.

The way we love, the way we live  
How much we take, how much we give  
What we sell and what we buy  
And how much they take from us when we die.

N°10 Downing Street, N°10 Downing Street  
That's where all the rules are made concerning you and me  
N°10 Downing Street, N°10 Downing Street  
That's where all the rules are made concerning you and me.

What we may read, what we may write  
When to make peace and when to fight  
To tell the truth or when to lie  
And how much they take from us when we die.

N°10 Downing Street, N°10 Downing Street  
That's where all the rules are made concerning you and me  
N°10 Downing Street, N°10 Downing Street  
That's where all the rules are made concerning you and me.
