

You Can't Beat It

The Troggs

When I'm home I'll give all my love to you
And I'll take you out like I used to do
And when I'm holding you near
You'll have nothing to fear

'Cause you can't beat it, no, no, no
You can't beat it, no, no, no
Well, you can't beat it baby, no, no
Well, you can't beat it baby, no, no

You and I know how love can change it's mind
But I'll be home before love has got the time
And I'll be holding you tight
And never let you out of my sight

Well, you can't beat it, no, no, no
Well, you can't beat it, no, no, no
Well, you can't beat it baby, no, no
Well, you can't beat it baby, no, no

I'm holding you tight
I'll never let you out of my sight

Well, you can't beat it, no, no, no
Well, you can't beat it, no, no, no
Well, you can't beat it baby, no, no
Well, you can't beat it baby, no, no
