

## I Saw Her Standing There

The Tubes

Well, she was just 17  
You know what I mean  
And the way she looked was way beyond compare  
So how could I dance with another  
And I saw her standin' there

Well she looked at me, and I, I could see  
That before too long I'd fall in love with her  
She wouldn't dance with another  
And I saw her standin' there

Well, my heart went "boom"  
When I crossed that room  
And I held her hand in mine

Whoa, we danced through the night  
And we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another  
Since I saw her standing there

Well, my heart went "boom"  
When I crossed that room  
And I held her hand in mine...

Whoa, we danced through the night  
And we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another  
Since I saw her standing there
