The Tubes

This town  
Is a lonely town  
Not the only town  
Like this town

This town  
Is a make you town  
Or a break you town  
And bring you down  
This town

This town  
Is a quiet town  
Or a riot town  
Like this town

And this town  
Is a love you town  
Shove you down  
And push you 'round town

Hey hey hey  
Everybody oughta know

This town  
Is an alright town  
Or an uptight town  
Like this town

And this town  
Is a use you, a use you, a use you town  
Abuse you town  
And bring you down  
This town

This town  
Is a losin' town  
It's a miserable town  
It's a no where town  
It's the pits  
San Francisco  
Hollywood  
This town  
Bye bye bye bye bye bye b-bye bye bye bye  
So long  
Bye-bye
