

## Gas Money

The Turtles

Well if I'm in your car  
No matter where or how we are  
You try to get my cash  
'Cause you say you're out of gas  
So just stay just where we are  
I need some gas money  
Well I done run out of bread  
And that's the only thing I dread  
I don't got any money  
'Cause I spent it on my honey  
So I'm going home to bed  
I need some gas money  
Well if I'm in your car  
No matter where or how we are  
Oh you try to get my cash  
'Cause you say you're out of gas  
So just stay just where we are  
Well if you really want to go  
You'll have to come up with some dough  
I need some gas money
