

Like It Or Not

The Turtles

Like it or not
I'm with you oo
Ain't got a lot
But I've got you oo-oo-oo-oo-oo-oo-oo
I like it here, near you

And my eyes are taking pictures
Of everything that you do
In many ways, times and places
Faces changing all the time
Joys are found in common places
Look around it's not hard to find

Aaah ah-ah-ah-ah

What have I got
When I'm with you oo?
I got a lot

When I've got you oo oo oo oo oo oo oo oo oo
I like it here, near you

And the morning looks like sunshine
And everything feels so new
In many ways, times and places
Faces changing all the time
Joys are found in common places
Look around it's not hard to find
Aaah ah-ah-ah-ah

Aaah ah-ah-ah-ah
Oo oo oo oo oo oo oo oo
Oo oo oo oo oo oo oo oo

And my eyes are taking pictures
Of everything that you do
In many ways, times and places
Faces changing all the time
Joys are found in common places
Look around it's not hard to find
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
Aaah ah-ah-ah-ah
