

Too Much Heartsick Feeling

The Turtles

Don't I know you
Don't you know me, too
After all our time together
You'd think we'd never met
'Cause there's too much heartsick feelin' to forget

Don't I want you
Don't you want me, too
But ever since the day we separated
There's been too much heartsick feelin' to forget

I don't suppose you felt the pain like I have (Like I have)
You could always find a man (Ooh, ooh, ooh)
I don't suppose you'll understand (Ooh)

How I want you
Don't you want me, too
But ever since the day we separated
There's been too much heartsick feelin' to forget

Honey, I want you (Ooh)
And I believe that you want me, too (Ooh, ooh, ooh)
It's really a shame that after all this time (Ooh, ooh, ooh, oo
h)
We've drifted so far apart

After all our time together
You act like we've never met
'Cause there's too much heartsick feelin' to forget
Oh yes, there's too much heartsick feelin' to forget
(Ooh)
