

I ain't a weirdo
Just wanna make you come
Fuck the distractions
This is one on one
One on one

We just watch the years go by
And our children grow
Is there a hunger?
I wanna know
I need to know

Is there anything?
If there's anything I can do
If there's anything
Anything for you

I see you blushing
When I talk about touching you there
Pulling on your hair
The things we never seem to talk about
Don't let our kingdom crumble
Into the sea below
Is there still a desire?
I wanna know
I need to know

Is there anything?
If there's anything I can do
If there's anything
Anything for you

(Spoken)
This has been a dream of mine
I thought was absolutely impossible
Fundamental capacity for connection
Was just a distant dream for me
