

# Tinseltown in the Rain

The Twang

Why did we ever come so far?  
I knew I'd seen it all before  
Tall buildings reach up in vain  
Tinseltown is in the rain  
I know now love was so exciting  
And Tinseltown in the rain  
Oh men and women  
Here we are, caught up in this big rhythm

One day this love will all blow over  
And time for leaving the parade  
Is there a place in this city  
A place to always feel this way  
And hey, there's a red car in the fountain  
Tinseltown in the rain  
Oh men and women  
Here we are, caught up in this big rhythm

And do I love you? Yes I love you!  
Will we always be happy go lucky?  
And do I love you? Yes I love you  
But it's easy come, and it's easy go  
And all this talking is only bravado yeah

And Tinseltown in the rain  
And Tinseltown in the rain  
Oh men and women  
Here we are, caught up in this big rhythm

Tinseltown in the rain  
Tinseltown in the rain  
Tinseltown in the rain

And do I love you? Yes I love you!  
And will we always be happy go lucky?  
And do I love you? Yes I love you!  
But it's easy come, and it's easy go  
And all this talking, talking is only bravado yeah
