

## Don't call

### The Twilight Singers

You're gone and, babe, that's a good thing  
I'm still here and looking for something  
To come along, to come along

I know, I know, we both say the same things  
I don't care, I don't care about winning  
So don't call, don't call, to talk about nothing

So many times I waited for you  
I figured it out and now we're through  
I won't give up, I won't give in

I know, I know, we both say the same things  
I don't care, I don't care about winning  
So don't call, don't call, to talk about nothing

You're gone and, babe, that's a good thing  
I've spent my days working for something  
We don't give up, we don't give in

I know, I know, we both say the same things  
I don't care, I don't care about winning  
So don't call, don't call, to talk about nothing

You're gone  
You're gone  
You're gone and, babe, that's a good thing
