The Twilight Singers

There's something natural in the way you touch me
Yeah yeah
It's a feeling that I can't describe
Yeah Yeah
There's something mystic in the soul connection
Yeah Yeah
There's something magic in your misty eyes
Yeah Yeah
Don't you say that it's all the same
Yeah Yeah
Don't you say that it's all the same
No, cause there's something that I can't explain
About this
There's something that I can't explain
Yeah I can't explain
oh no
yeah yeah
Before the matters over
I want to shape the question
I want to leave it for now without another mention
I should have let you go
Instead of holding on
Inside the eye of my mind
The mystery has formed
No use in looking for 'em
You know it isn't there
And you can stare all you want
The answers wont appear
I try to find it but I lose myself
I lose myself in you
Said I lose myself in you
Yes, I lose myself in you

And you know you're only wasting time
Breathe easy
The question and the sweetening line
Breathe easy
The feeling know no name
It is what it is
It is what it is and there is no explaining what it is
What it is
There's something natural in the way you touch me
Yeah yeah
It's a feeling that I can't describe
Yeah Yeah
There's something mystic in the soul connection
Yeah Yeah
There's something magic in your misty eyes
Yeah Yeah
Don't you say that it's all the same
Yeah Yeah
Don't you say that it's all the same
No, cause there's something that I can't explain
About this
There's something that I can't explain
