

Live With Me

The Twilight Singers

It don't matter
When you turn
Gonna survive
Live and learn
I've been thinking about you baby

By the light of dawn
And in my blues
Day and night
I been missing you
I've been thinking about you baby

Either way
Win or lose
When you're born into trouble
You live the blues

I've been thinking about you baby
See it almost makes me crazy child

Nothing's right without you here
I'd give all that I have
Just to... keep you near
I wrote you a letter
And tried to... make it clear
You don't seem to think
That I'm sincere

I've been thinking about you baby...
Come live with me

Plans and schemes
Hopes and fears
Dreams I've denied
For all these years

I've been thinking about you baby
Makes me wanna...
Ooh child
Ooh child

Nothing's right if you ain't here
I'd give all that I have
Just to... keep you near
I wrote you a letter
And tried to... make it clear
You don't seem to think
That I'm sincere

I've been thinking about you baby
Come live with me
Come live with me
Come live with me
