

What Makes You Think You're The One

The Twilight Singers

What makes you think youre the one
Who can laugh without cryin?
What makes you think youre the one
Who can live without dyin?
Every little bit
Is there
To see
Every little bit
Of you
And me

What makes you think Im the one
Wholl be there when youre callin?
What makes you think Im the one
Who will catch you when youre fallin?
Every little bit
Is there
To see
Every little bit
Of you
And me

What makes you think Im the one
Who will love you forever?
Everything you do has been done
And this wont last forever
Every little bit
Is there
To see
Every little bit
Of you
And me
