

Going Through The Motions

The Twins

I can't believe that it's for real
I can't believe you told the truth
It doesn't matter what you feel
You look too old to play the youth.

And so I put the pressure on you
It's time for you to act your age
Though I can't tell you what to do
I can destroy your gilded cage.

I want you
Do you want me
You know you want to want somebody.

We're going through the motions
I'm living on emotion.

We're going through the motions
I'm living on devotion.

It's not too late to stop the rot
The time has come to make a stand
And if I put you on the spot
I hope that you will understand.

I want you...
