

They say you pavin' ways, make the change but  
How am I supposed to when these people slaves? but  
When I find the truth hidden inside my brain  
Elevate, don't hesitate or watch them do the same  
I'm a third eye shooter, light bearin' from the feet up  
Zombie Gang, nigga we up, brainfeeder, tell 'em keep up  
Ain't it funny the ones that they thought was goin' insane  
Is the same ones that's about to come change the game?  
Ah-ha, think I'm dreamin', voila  
See bullshit in my life  
Send my spirit up high  
And now the sun child rise  
And I'm just here to pave the way  
For the ones walkin' the road but don't know where it's safe  
For the ones livin' like slaves but they know they need change  
For the ones that don't look inside but they stuck in the fake  
Take a look inside, everything you need was given, fuck them odds  
Hit the top, but it's easier to see between the lines

So what you want, huh? So what you want, huh?  
The world is yours my nigga, better get your cup bruh  
Now it switch it up uh, don't give it up, nah  
Create your world my nigga, better live it up bruh  
I said big shit poppin', little shit fuckin' droppin'  
Indigo here to stay, my nigga no way to stop it  
Big shit poppin', little shit fuckin' droppin'  
If you want it you can have it motherfucker it's your option

UA save the day, Kundalini keep consciousness raised  
Like a slaughter harness my ways now we towin' by with the grace  
So elevate, motherfucker don't ever drive with the fake  
My soul my bass rate, go no brakes, I show no hate, just motivate  
Go the hardest, a million souls bestowed with illest knowledge, know we 'bout it  
Now watch me tower off a hit of chronic  
Lead the way, still positive rays and it's gonna ricochet  
Woke up in the morning, thank the Lord, feel like the shit today  
Product of my class, didn't pass but I knew my math  
This shot of this energy for sure, I'm gon' get something back  
Keep it goin', they tax, they strapped with the coldest raps, keep yo  
ur dome attached, uh  
Live in the moment, put your all in, the world's in your hands Lord  
Momma said keep dreamin' now, I'm lucid when you see me livin'  
Freely blowin' potent, fully focused to Momma said keep dreamin' now,  
I'm lucid when you see me livin'  
Freely blowin' potent, fully focused to

Motherfucker it's your option  
Motherfucker it's your option
