

## Intro

**The Underachievers**

This is [?] and I got some news for y'all  
If you know me, you know I been rockin' with these folks for a minute  
After 5 years, Brooklyn's very own The Underachievers have officially returned  
The court's different, the players have changed, but the mentality unshaken  
This isn't just a return, this is a statement  
This hiphop was born to uplift, to challenge, to awaken the people  
But somewhere along the way the frequency has got distorted  
Just when it seems like the culture was slipping into the abyss  
The call was answered  
The Underachievers, they're back
