## The Underachievers

They say your dreams just like the lotto no one gets those  
But I go slow drivin' down drifting lane dodging pot holes  
UA drop a model, fuel the planet keep the motto  
Started from the bottom now the whole planets colossal

Elevated knight from the loud smoke, fuck the hype and fix your life homie p  
ronto  
Plummet heights and do it right don't gun tote  
Guard your wife I might grab her like Fronto, Head Honcho  
Try to intrude you get combos, spreading the truth right through your kind o  
f soul  
Light up the Oogle and let your pride show better to choose now only time kn  
ows, what are we gonna do I'm finna bomb tho'

We ain't bullshittin' I'm the Bull's Pippen something cold sippin right befo  
re I rip shit, Beast Coast clan we the Gold grippin', fucking show killing g  
etting souls uplifted My opinion your mind is twisted  
My mind is gifted, glow shinning different Remember them times, not a pot to  
piss in Now we poppin' shit like we got to gripping

I be on top of prisms like fuck the system  
Light shining through me, got Apex vision  
Puff holy flowers, got ancient wisdom  
Said the world is ours, but they ain't listen  
Demonstrate with the life I make  
First they hate, but in God they relate  
Travel the globe, pushing the darkness away  
It's a long way home, I'm about to spark me an eighth

We the same dog, I just pay the cost  
I have my own cross with my own thoughts  
Symbolic for being reborn these niggas read wrong  
But they don't mean harm, they pump your brain better be smart  
Keep a keen heart, Shielded from the dark  
Like camels partner, I'm spitting proper  
Them Egypt prophets no one can stop us

Rays chop chop but they need binoculars  
Too far ahead, gods speed, you calmin' us  
Shed no tear nor flee the evil  
Keep enemies close so it's easy to eat you  
Youngin' never listen to what the teacher teachin'  
Now a nigga grown, must lead the people  
Hopeless leave them see through  
Generate a culture, and the rewards are peaceful  
Gonna be a day, hope a nigga alive  
Got no time to waste UA tryna get high, take a toke than I'm straight no fea  
r at Oz, don't boast nor fake can't live no lie, young lords on my team, yea  
h we all wanna scream Beast Coast mother fucker watch or ride to regime, we  
smoke by the zip blow it down til I'm steamed, bringing hope to my set it wa  
s all just a dream

2Pac lives when I talk shit solo start tonight inside audience throwin' shots  
but they always miss  
Real nigga like a Saudi prince, my nigga AK took it cold as shit  
On a flame see how hot I get, cool down with a fire piff  
Always keeps me on some higher shit adapt to my environment

The young Zioness

They define shit, with my iron fist and my godly flow when my mind is rich,  
my dollars fold and you counterfeit straight clone no soul then devoured it,  
Better hold your own don't get blinded kid  
Cause I'm on the same road, look what knowledge did  
Higher learning, fire burning on my Ganja spliffs  
The tables turning now I'm earning from accomplishments, Bitch

Congratulations nigga ya been patient, Lords of the Bush with the crack, we  
laced it, Proclamation know we had to say this put them back to basics now w  
e activating off the slave ship hopped in this spaceship taking off no waiti  
n' building up like?}  
Never copy don't bother changing be yourself my nigga, only way to make it

Face the hatred let it out, creating because without the faith you will amou  
nt to mayhem the youth and make a better nation  
Set em free through my melodies and my energy from my pedigree  
Loyal soldier put the chrome to vultures' apply the torture for your majesty  
, nigga
