

# Really Got It

The Underachievers

All my niggas really got it, all my niggas really 'bout it  
All my niggas really winning, got these niggas sobbing  
If I pull up, then she popping  
See you niggas jocking, they can't spend a nigga's watch  
She the Batman, I'm the Robin  
She lieutenant, I'm the sergeant  
Told me shoot 'em, then I got 'em  
Pop a nigga for the profit

Niggas can't bang with the coast  
Got ties for the locs, got pies for the low  
Shooters in the back, don't try with the bro  
Jet lag, drop a nigga different time zone  
Red pack grader, only came for the dough  
Try to trespass, hear the press saying that you don't  
Now your mama hear the press saying that you gone  
Shoulda never went against Super Saiyan, go home

Nigga elevated, sorry out your reach  
Keep my circle tight, avoid the frenemies  
Nigga mind the coupe, I call it referee  
Stomp a nigga like a fucking centipede  
Out in Cali buying out dispensaries  
Smoke alone, a nigga never pass the weed  
All my niggas really gunning for the cheese  
All my niggas really ready for the beef

All my niggas be one with the enemy  
Still young so we sinning, 100 dollar billing  
All of my niggas came up from the bottom  
And ain't gon' stop winning 'til we hit the ceiling  
All of my niggas are down for my niggas  
I ride for, I pull out a motherfucking iPhone  
My niggas gon' blow like atomic  
I promise I'm good with the cheese like some nachos

All my niggas really got it, all my nigga really got it  
All my niggas really, all my niggas really got it  
All my niggas really got it, all my niggas really  
All my niggas really got it, all my niggas really got it  
All my niggas really, all my niggas really got it  
All my niggas really got it, all my niggas really

Honest to death I spot the realest  
Let the caterpillars move as one in every step  
Average niggas wasn't 'posed to be this fresh  
No average niggas in my circle or my set  
Type of nigga put in work in while you slept  
All my niggas put in work in, gotta Tek  
In the kitchen I'm the colonel, I'm the chef  
Introduce you to this high, no coming back

Watch, I see the feds, they always watching  
But I keep on smoking, nigga never stopping  
Drinking Hennessy, a liquor remedy  
Mix that OG in the pot, that recipe  
Fly to Paris just to kick it for the week

Walk through TSA, I bet they smell the tree  
Fuck it nigga, I just dodged a felony  
Smoking reefer 'til the father set me free

All my niggas be one with the enemy  
Still young so we sinning, 100 dollar billing  
All of my niggas came up from the bottom  
And they ain't gon' stop winning 'til we hit the ceiling  
All of my niggas are down for my niggas  
I ride for, I pull out a motherfucking iPhone  
My niggas gon' blow like atomic  
I promise I'm good with the cheese like some nachos

All my niggas really got it, all my nigga really got it  
All my niggas really, all my niggas really got it  
All my niggas really got it, all my niggas really  
All my niggas really got it, all my niggas really got it  
All my niggas really, all my niggas really got it  
All my niggas really got it, all my niggas really
