

## Luxury

## The Undertones

If I was having such a good time  
It wasn't really that much fun  
A counterfeit conspiracy  
That's suddenly gone wrong

So come on - come on  
You're a luxury  
A peculiar luxury  
It always breaks my heart  
You can keep your mystery  
It doesn't mean a thing to me

Painted lips and l'oreal  
Are broadcast in the dark  
A necessary cover up  
That's finally left its mark

So come on ...

Your sneaky little schemes that show  
The wolf's still at your door  
A vicious little paragon  
Of what you were before

So come on ...
