

## Male Model

The Undertones

When I was young I never wanted toys  
Things like that were for little boys  
My mamma got me clothes for her favourite son  
Freeman's item A page 61

I wanna wanna be a male model  
I wanna wanna be a male model  
I wanna wanna be a ... model ... model

Read women's magazines for fashion scenes  
Til you know the prices they're in pounds and pence  
Reminds me that I can't afford to buy new clothes  
I never got a chance to say I'll take those

I wanna wanna be ...

I'm fed up of wearing things second hand  
The coat that must belong to another man  
Sizes that got out of style years ago  
Anything cheap I don't wanna know
