

Wednesday Week

The Undertones

Here she comes to say good night
I'll get no sleep tonight
With a constant vision she still can see
She was the girl for me

Wednesday week - she loved me
Wednesday week - never happened at all

There she goes I want to see her again
She's gone to school with her best friend
She only does the things she likes to do
Now she wants something new

Wednesday week ...
Here she comes ...
Wednesday week
